# The Pride Players

GLSEN, PFLAG and Proud Horizons have a common mission: *Protecting and supporting young people who happen to be lesbian, gay, bisexual or transgender.*

PFLAG and Proud Horizons members volunteer their time to take our diversity presentations and trainings to college classes, law enforcement, community groups and organizations and other audiences 60+ times each year. Your support will help us maintain our reference materials and other literature used for our presentations.

Proud Horizons, sponsored by PFLAG, holds weekly support meetings for LGBT young people—giving them a safe place to discuss issues they are facing with their families and at their schools. Your support will allow our volunteers to maintain program materials, meeting space, guest speakers, and other support programs for the youth.

GLSEN supports more than a dozen Gay Straight Alliances led by teacher advisers at Omaha area high schools. Those GSAs serve as sanctuaries for LGBT youth whose real or perceived sexual orientation, gender identity or gender expression often means they must endure bullying and harassment. Your support will help GLSEN Omaha continue to offer grants to GSAs that fund school programs that support our issues and provide education for allies.

For the past seven years, youth and adults in our three organizations joined together to organize Omaha's Pride Prom for LGBT youth who otherwise might not have a prom experience. It has become one of the most

successful events in the city with well over 300 youth from Nebraska and Iowa attending our last prom. Your support will help continue this popular tradition providing the youth a safe place to be themselves.

As you can see, your financial support is very important to our three, volunteer-only organizations. We would also welcome any additional contributions to this annual Pride Players benefit that you can make.

An extra \$25 or \$50 can go a long way in helping us continue our important work.

Visit [www.pflag-omaha.org/prideplayers.html](http://www.pflag-omaha.org/prideplayers.html) or return the form attached to purchase tickets to Pride Players and to make a donation.

Cordially,

**Carrie Spencer,**
